NOTICE

This is to inform the heads of all universities with medical faculties and all medical colleges in Gujarat that it has come to the notice of this Council that some resident doctors pursuing Postgraduate Residency in medical courses do not possess *Permanent Registration* with the Gujarat Medical Council for their MBBS degree.

As per the rules of MCI/NMC, it is **mandatory** to obtain registration for the MBBS degree with the Gujarat Medical Council **within one (01) month of PG admission**.

You are therefore requested to take due note of this and ensure appropriate action is taken.

If any MBBS doctor is found to be pursuing PG studies, practice, or training in your institution **without such registration**, it may lead to **ethical and legal issues**, for which the **legal responsibility will lie with the head of the institution as well as the concerned doctor**.
