Phase-1, New Delhi-110077.

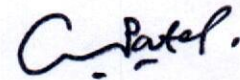

Subject: Request for Clear Guidance regarding Internship Duration for FMG Students.

Sir/Madam,

In reference to the above cited subject matter, I am directed to inform you that this council has allotted CRMI/internship to FMG candidates/students for 1 year or 2 years or 3 years as per the Public Notice dated 07/12/2023 and FAQs dated 11/12/2023, however this council has received numerous requests from FMG students pertaining to reduction of their CRMI/internship duration from 3 years or 2 years to 1 year, thereby making them eligible for permanent registration. Further, FMG students have presented information suggesting that several state medical councils across India have adopted a policy of allocating a 1-year CRMI/internship period to those FMG students who have pursued their study through online classes at their parent college/institute in a foreign country, subsequently making them eligible for permanent registration.

Hence, you are kind request to please look into this important matter and provide your clear guidance at the earliest.

Yours faithfully,

Hon. REGISTRAR,

GUJARAT MEDICAL COUNCIL
